Board of Directors ROUNDTABLE OF COMMITTEES

Assist the BOD in fulfilling its responsibilities by making decisions on behalf of the BOD between regularly scheduled meetings, and is empowered to act on behalf of the BOD in specific areas as defined in this charter and the organization's bylaws.

Oversee how the BOD functions, ensuring they are adhering to the organization's established governance framework, complying with legal regulations, and fulfilling their responsibilities effectively, essentially acting as a "conscience" to maintain high standards of governance.

Provide oversight and guidance on financial matters, and assist the organization's governing board in fulfilling its fiduciary duties related to financial management.

Oversee the development, implementation, and assessment of the organization's programs, ensuring they are achieving their goals by regularly evaluating their impact and making necessary adjustments to improve outcomes for beneficiaries.

Create and execute strategies to raise funds necessary to support the organization's mission by identifying potential donors, cultivating relationships, and overseeing fundraising activities like events, grants, and individual donations to meet financial goals.

Review and recommend policies related to staff and human resources, including hiring practices, employee evaluations, compensation, and overall staff wellbeing, to the BOD for approval; essentially overseeing the organization's HR management practices.

CHARITABLE WORKS IN PROGRESS

TRAC-HER: PUBLIC SAFETY PROGRAM

B22 PARK, INC wants to engineer affordable smart hair, skin and nail accessory devices encrypted with precise GPS positioning and stable global signals to proactively fight against human trafficking on a global level. We will partner with global law enforcement agencies and anti-trafficking organizations to identify, evaluate and recommend public safety improvements to decrease the rates of Human Trafficking on a global level. With our Trac-Her Program, we can proactively fight against predators, including the ability to gather data on criminal patterns and targeted areas.

THE BLOCK PARTY

B22 PARK, INC wants to construct the ultimate facility that offers more than 800 employment opportunities while servicing more than 1,000 homeless individuals a year per location. The Block Party consists of a restaurant, pharmacy, gas station, intercity bus transportation, warehouse, two-lane car wash w/self-service, suite and booth rentals, two-floor entertainment center and an underground emergency shelter.
